EDUCATION

Degree/Course	Institution/Board	Year	Percentage/CGPA
B.Tech (CSE)	Shobhit University, Saharanpur	2024–Present	8.74 CGPA
Intermediate (12th)	SJS VM INT COLL GANGOH (UP Board)	2023	83.4%
High School (10th)	SJSVM INT COLL GANGOH (UP Board)	2021	93.16%

TECHNICAL SKILLS

- Programming:** Python (Intermediate), HTML5, CSS3, C++ (Basics).
- AI & Automation:** Google Gemini, Gemini Workspace, Prompt Engineering.
- Soft Skill :** Communication, Team Work, Adaptibility, Time Management
- Others:** Git/GitHub, VS Code, Technical Analysis (RSI, MACD Indicators).

PROJECTS

- Trading Bot Simulator (Python):** * Designed a tool to analyze live market trends using RSI and MACD indicators.
 - Implemented logic for automated buy/sell signal simulation.
- Secure Password Generator:** * Developed a cybersecurity utility to create high-entropy, randomized passwords.
 - Focused on preventing brute-force attacks and enhancing user data privacy.
- Smart Expense Tracker:** * Built a desktop application for personal finance management and data visualization.

CERTIFICATIONS

- Introduction to Ethical Hacking:** Network security and vulnerability basics.
- Introduction to Gemini:** AI-driven workflows and automation.
- Gemini Workspace:** Google’s AI productivity suite.

PERSONAL DETAILS

- Father's Name:** Mr. Rajendra Kumar
- Languages:** Hindi, English
- Interests:** Stock Market Analysis, Flute Playing, Creative Content Creation.

SUMMARY

Dedicated Computer Science & Engineering student with a strong academic foundation (**8.74 CGPA**). Proficient in Python development and AI-driven workflows, with a specialized interest in Ethical Hacking and Cybersecurity. Seeking a research-oriented internship at **IRDE-DRDO** to contribute to defense technology through programming and security analysis.
